1. References (a) and (b) indicate that there is considerable interest in establishing interagency correspondence standards, with particular emphasis on the format of memorandums. This Agency concurs in this concept, provided complete agreement can be reached among agencies so that only a few exceptions need be considered by letter writers and typists.

2. This memorandum represents the format used by the Central Intelligence Agency in corresponding with certain agencies and officials. Its principal features are:

a. The "IN REPLY REFER TO" line is used at the discretion of the dictating official. Its use encourages correspondents to identify memorandums to which they are replying.

b. THE "MEMORANDUM FOR" and "SUBJECT" lines are required standards. "ATTENTION" and "REFERENCE" lines are optional. When only one reference is cited it is not necessary to identify it alphabetically.

c. In addition to being numbered, second and succeeding pages are identified approximately one inch from the top, by the subject line repeated from the first page.

d. A command line, "FOR THE DIRECTOR OF CENTRAL INTELLIGENCE" is provided whenever the individual signing the correspondence has been delegated authority to do so for the Director of Central Intelligence.
